the Russian mafia's burning flame... While a brutal competition of America's heroes is held in the United States, Elizabeth Forter is on a personal mission to destroy the Mayor of New York City. But when she's caught red-handed by a man who kills for a living, her enmity rapidly turns to fear. Daniil Kozar isn't a man to trifle with, and Elizabeth is forced to strike a deal with the mafia king. Her every action is watched, and she needs to decide how to handle the gun-toting criminal--and his seductive charm. Daniil may be the devil her father warned about. Or he may be the sensual awakening Elizabeth never knew she needed. Somewhere, Elizabeth's dad is screaming a prayer...

A Sunday Times Book of the Year *A Daily Telegraph Book of the Year* *A Times Book of the Year* *An Observer Book of the Year* A woman awakes in a prison cell. She has been on the run but the authorities have tracked her down and taken her to the Tower of London - where she is interrogated about the Gunpowder Plot. The woman is Anne Vaux - one of the ardent, brave and exasperating members of the aristocratic Vauxes of Harrowden Hall. Through the eyes of this remarkable family, award-winning author Jessie Childs explores the Catholic predicament in Elizabethan England - an age in which their faith was criminalised and almost two hundred Catholics were executed. From dawn raids to daring escapes, stately homes to torture chambers, God's Traitors exposes the tensions masked by the cult of Gloriana - and is a timely reminder of the terrible

consequences when religion and politics collide.

comfortable world of Lily Ruckler and her fellow Mystical Kings and Queens is rocked to the core by the attacks at King Hall. Not only does Lily have to kill the Commoners attacking her people, she also has to assume the mantle of leadership, and bring the surviving Mysticals to King Cave. It should have been too much, but she is not alone. Ezra becomes her rock, her best friend, the one person who understands. As Pearl and Jack struggle with inconsolable loss, Ezra and Lily work to keep the Mys community safe in their new home, and plan a deadly retaliation. Their friendship saves them both...but it also draws attention. Whispers. Judgment. It's not normal for Shifters and Vampires to be friends, and when a horrifying truth is revealed, their relationship morphs from unusual to unspeakable. Lily is good at keeping secrets that could get her killed. Is she willing to risk Ezra's life as well?

A Traveller in Time Alison Uttley 2020-02-11 The "superb" time travel adventure of one lonely young girl, a remarkable family, and an impossible task, set between modern and Elizabethan England (The Washington Post) "A beautiful book . . . a form of enchanting ghost story, with the ghosts drawn in with the grace of a painter on a fan." —The Observer Penelope Taberner Cameron is a solitary and a sickly child, a reader and a dreamer. Her mother, indeed, is of the opinion that the girl has grown all too attached to the products of her imagination and decides to send her away from London for a restorative dose of fresh country air. But staying at Thackers, in remote Derbyshire, Penelope is soon caught up in a new mystery, as she finds herself transported at unforeseeable intervals back and forth from modern to Elizabethan times. There she becomes part of a remarkable family that is, Penelope

realizes, in terrible danger as they plot to free Mary, Queen of Scots, from the prison in which Queen Elizabeth has confined her. Penelope knows the tragic end that awaits the Scottish queen, but she can neither change the course of events nor persuade her new family of the hopelessness of their cause, which love, loyalty, and justice all compel them to embrace. Caught between present and past, Penelope is ever more torn by questions of freedom and fate. To travel in time, she discovers, is to be very much alone. And yet the slow recurrent rhythms of the natural world, beautifully captured by Alison Uttley, also speak of a greater ongoing life that transcends the passage of the years.

destinies. Lily Ruckler is adept at one thing: survival. Born a Mystical hybrid, her mere existence is forbidden, but her nightmare is only about to start. Fluke, happenstance, and a deep personal loss finds Lily deeply entrenched with those who would destroy her simply for existing - The Mystical Kings. Being named future Queen of the Shifters shoves Lily into the spotlight, making her one of the most visible Mysticals in the world. But with risk comes a certain solace - her burgeoning friendships with the other three Rulers: a wicked Vampire, a wild-child Mage, and a playboy Elemental. Backed by their faith and trust, Lily begins to relax into her new life. Then chaos erupts as the fragile peace between Commoners and Mysticals is broken, and suddenly Lily realises the greatest threat was never from within, and her fear takes on a new name: the Revolution.

Fall Scarlett Dawn 2014-07-24

A savagely wicked new adult sci-fi serial blasts off with *Fall*, the first installment in *The Cold Mark Saga*...Only one thousand Humans survived *The Travel* from the shattered Earth. Some Humans say it was their penance for crushing such beauty. Eighteen-year-old Braita merely thought it was pathetic - pathetic that her people had been that blind. Now, the Humans live in the solar system, Kline, where three planets are habitable. Joyal, the smallest planet, is embraced by the Humans - their family to love as they had never loved Earth. Though a planet covered mainly in water is dangerous real estate to dwell upon. Their worry turns into devastating reality when

Braita's blessed village is struck by a tsunami. Population numbers must be kept to a minimum. Drastic measures must be taken. Braita's life is twisted in brutality when she is chosen as one of the three hundred Humans to be removed from Joyal...and sent to the Mian, the aliens to fear, on the planet Triaz. Thrown head first into a barbaric world she knows nothing of, Braita must adapt to a dark life as a slave of the Mian society. Her existence depends on it...and possibly, the fall of her heart. *The academy* 1895

King Tomb (Forever Evermore, #3) Scarlett Dawn 2014-10-01 From Scarlett Dawn comes the stunning, sexy, sensual, surprising, spellbinding conclusion to the first saga in the bestselling Forever Evermore trilogy. Queen Shifter, Lily Ruckler, has found solace in brutal warfare. Her bloodied fists and bared fangs fill the holes left in her memory, the blank spaces that leave her soul aching and empty. Her only pleasure is in blood; her only salvation is the

relationship she has with her infant child, the baby of unknown origins who brings her solace and stability. When Elder Harcourt summons Lily and her protector Antonio back to the United States, Lily thinks nothing unusual about the change of location. But a standard reconnaissance mission leaves her trapped inside King Zeller's private quarters, and at his mercy. Surprise attraction rapidly turns to a battle of wills and an intense power struggle that leaves no clear victor but plenty of resentment. They are not allowed to nurse their wounds. In order to win the war against the Commoners, the King Vampire and Queen Shifter must work together. It should be easy. The war is turning, the battle is deadly, and both Lily and Ezra love the cold cleanliness of combat. But their chance meeting has led to more than an unlikely alliance. Secrets have a way of surfacing, especially on a torn-up battlefield, and Lily and Ezra are about to re-learn all they cannot remember. If they

The Philosophy of

Friendship M. Vernon
2005-09-08 In this new accessible philosophy of friendship, Mark Vernon links the resources of the philosophical tradition with numerous illustrations from modern culture to ask what friendship is, how it relates to sex, work, politics and spirituality. Unusually, he argues that Plato and Nietzsche, as much as Aristotle and Aelred, should be put centre stage. Their penetrating and occasionally tough insights are invaluable if friendship is to be a full, not merely sentimental, way of life for today.

Fatal Mercy Dan Padavona
2021-01-20 Two bodies, zero suspects. And a murderer Thomas Shepherd can't stop. Recovering after a near fatal encounter with a serial killer, Deputy Thomas Shepherd seeks the tranquility of Wolf

Lake. Until a rash of murders and abductions paralyze the resort village. Who is killing the villagers of Wolf Lake? The killer is a phantom hiding in the shadows. Sheriff Gray blames a ghost from his past, the priest who ran his wife off the road and killed her. But is the sheriff's bias tainting his judgment? Deputy Shepherd must go rogue and unravel a bewildering tangle of evidence if he hopes to catch the killer. Then Deputy Shepherd's friend goes missing, and he fears the killer is responsible. Will Thomas save his friend before the killer claims another victim? Marvels and Misfits Scarlett Dawn 2019-07-12 Death this way comes to souls who break Fae law. So it is written. So carved in blood. Mighty are the Fae who watch us all. I'm screwed. Royally screwed. Of all the ways to mess up, I picked a real gem this time-of the hot shifter sort. Especially because I'm the crowned elven princess.A forbidden soul mating with the cruel King Athon was not why I attended the royal summit of magical races. Our kinds do not mix, as is written in death-blood. And I'll be damned before I let some arrogant alpha tell me what to do, and for once I'm not talking about my father.Now, I'm on the quest of a lifetime.My crew of accomplices-sworn enemies. Including King Athon and my father. Our mission-retrieve ancient artifacts lost forever.

Good luck there. And if we fail? No worries. The giants will crush the realm.Between all the secrets and lies, my name is Trixie Towers; and that's the only truth that won't get me dead.

King of Gods Katherine Rhodes 2018-05-22 Stunning. Addictive. Bloody.The bestselling VAMPIRE CROWN series continues with *King of Gods*, as Kimber and Gwen dive deeper into the chaos of Royal machinations. Dark schemes, rich humor, and carnal exploits weave this next installment into one gripping adventure. The Breaking Time has come in S'Kir. The Spine is ready to be broken and reunite the races. But the Breaker is missing a critical piece of knowledge: Sex is power. In the Stronghold, a new Queen has been crowned and the time's come for the King Novitiate to face his trials. While the Original druid thinks intimacy is strength, the Queen knows better: Knowledge is power. Sex will bring power to the druids.But knowledge is the knife's edge to carve out the power.*CONTENT

A Knot in the Grain Robin

McKinley 2014-11-18 Stories from the world of The Hero and the Crown and other magical places by a New York Times-bestselling Newbery Medal winner. Robin McKinley returns to the mythical setting of The Hero and the Crown and The Blue Sword in this “thrilling, satisfying, and thought-provoking collection” featuring two stories set in the world of Damar, plus three other fantasy tales featuring adventurous, pragmatic, and heroic young women (Publishers Weekly). There’s mute Lily, in “The Healer,” who has the power to help others, and receives a startling opportunity to find her voice when a mysterious mage stumbles into town. And Queen Ruen, who is at the mercy of a power-hungry uncle until she encounters a shape-changer in “The Stagman.” In “Touk’s

House,” a maiden who has grown up with a witch and a troll has a chance to become a princess, but she must decide whether she would really live happily ever after. When a curse follows Coral to her new husband’s farm in

“Buttercups,” the pair has a choice: Succumb to defeat or find a way to turn a disastrous enchantment into a fruitful new venture. Finally, travel to upstate New York with Annabelle. In the title story, her family moves shortly after her sixteenth birthday, and just as she starts to adjust to her new life in a small town, a plan to build a superhighway threatens her new home. But a strange box hidden in a secret attic in the new house may be the answer. This is a delightful assortment of tales from an author with “a remarkable talent for melding the real and the magical into a single, believable whole” (Booklist).

Blood Debt Callie Rose

2021-03-29 I've dedicated my life to slaying vampires. Now I'm about to offer up my blood. When my brother gets into

some serious trouble with the Vampire Clan of Baltimore, there's only one thing I can do to save his ass. I decide to offer myself up as a blood tribute, infiltrate their underground palace, and find a way to get him out. But playing the part of a simpering blood bag is harder than I expected, especially when my first impulse is to put a stake through the heart of every vamp I meet. To make matters worse, I've somehow caught the eye of three dangerous vampire men: Bastian, an ancient prince with features as cold as ice and eyes that burn like fire. Rome, a darkly sexy rebel who just returned from a hundred-year banishment. And Connor, a newly turned vampire whose lopsided grin is so devastatingly human that I almost forget he's the enemy. Even though I want to hate them all, they keep getting under my skin in ways I can't explain. But if I let myself lose focus for even a second, it won't just be me who pays for it. My brother will suffer too. I've danced with the devil

plenty of times... But this time, the dance might kill me. Blood Debt is the first book in the Kingdom of Blood series, a reverse harem vampire romance. The heroine is tough but flawed and the (anti)heroes are sexy and dangerous.

BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author The basis for the upcoming Broadway musical, coming in 2025! “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in

Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-

time: the nameless, faceless contract killer, the Guardsman. Secret Service agent Winter knows global crime boss Alek Konstantin's days are numbered after she seduced him, then revealed his identity to the world. Now, permanently on the run from the authorities, Alek fights to regain control as the brutal criminal organisation he ruled with an iron fist crashes down around him. Then a young woman called Lucy is viciously stabbed and dumped on a mossy grave, a harrowing message for Winter carved on her forehead. Winter follows the trail to the Guardsman – a pitiless contract killer, and Alek's top hitman. Has the Guardsman gone rogue or is Alek pulling the strings to taunt Winter once more? In a desperate bid to lure Lucy's killer from the shadows and find a path to Alek, Winter books the Guardsman for a hit on herself. If she succeeds, she'll have the world's most dangerous killer at her mercy. But if she fails... A spine-tingling suspense thriller,

perfect for fans of Sandra Brown and The Girl with the Dragon Tattoo. What readers are saying about Alex Callister: 'Wow! Double wow!! Triple wow!!!... This book took me for a ride on a rollercoaster... This book definitely gets a place in my top for 2020.... If this is what Winter is like, I don't like the other seasons anymore.' B for Book Review, 5 stars 'A clever, original spy thriller... There are nods to Bond and Bourne throughout Winter Dark... She could seduce Bond and leave him heart broken. She could outfight Bourne and leave his legs broken... Winter Dark is a gripping, pacy and highly original thriller. Highly recommended.' Goodreads reviewer, 5 stars 'This book was really good! I love the main character! I can't wait to read more of the stories! The book is full of action-packed thrills and rides!' Goodreads reviewer 'Winter is a badass character. There will be a movie made about this book... The author set out to create a female James Bond and pretty much hit it spot on... The book

is a page-turner.' Goodreads reviewer 'A high-octane thriller... It is a thrill-a-minute, edge-of-your-seat thriller that will have you quickly turning the page... will keep you entertained and engrossed until it's thrilling denouement. A great read that will spike your blood pressure accordingly - not for the faint-hearted!' Goodreads reviewer 'I wound up wrapped up in the story and couldn't put it down.' Goodreads reviewer 'Loved it! I want more! Can't wait for the next instalment.' Goodreads reviewer, 5 stars 'It is hard to put this one down! Lots of twists in this quite different and spectacular read! RECOMMEND HIGHLY!!!' Goodreads reviewer, 5 stars 'I loved it. Intense and filled with twists and turns. Just when you think you know what is going to happen next, Winter surprises you... I cannot wait for the next instalment!' Goodreads reviewer 'Now there is a new kid on the block, the love-child of Jack Reacher and Lisbeth Salander... she can out-punch Bourne and out-pull

Bond.' Independent 'I am in heaven.' Goodreads reviewer Chosen Fool (Forever Evermore, #5) Scarlett Dawn 2016-02-01 The second saga in the Forever Evermore series continues with Chosen Fool, where deception runs deep and Caro's transitioning life turns even more deadly... Caroline Jules has received news of a lifetime. She's going to be Queen to 'her' people. Instead of running, as any sane criminal would, she faces the mêlée with all the wits and savvy that her difficult life has honed. With her best friend, Sin, at her side, Caro pushes past the animosity her power inevitably brings, and prepares to rewrite her future. Until the night Sin leaves, and she is alone. Now, Caro must face the Royal world and all its intrigues and intricacies by herself. People aren't always as they appear-and danger lurks behind even the most pleasant face. When a threat not even the Elders can handle puts her new tribe in danger, Caro takes matters into her own hands. Armed with the power of the

mysterious spirit Elementals, Caro's determined to eliminate the evil ransacking the Mysticals. All she needs is time. But time waits for no fool...and time isn't as straightforward as it seems.
